FIG. 4B

The diagram shows a 4x4 matrix with various components labeled with numbers and letters. The columns are labeled  $b_1$ ,  $b_0$ ,  $C_{bin}$ , and  $C_{var,0,3}$ . The rows are labeled 0, 0, 1, and 1. The matrix contains the following values:

$b_1$	$b_0$	$C_{bin}$	$C_{var,0,3}$
0	0	0	$C_{0,3}$
0	1	$C$	$C_{0,3}$
1	0	$2C$	$C_{0,3}$
1	1	$3C$	$C_{0,3}$

Surrounding the matrix are several numerical labels: 502, 504, 506, 508, 510, 512, 514, 516, 518, and 520. Arrows point from these labels to specific parts of the matrix and its connections.
